I Fall To Pieces
Patsy Cline

I fall to pieces

I fall to pieces
How can I be just your friend

You want me to act
Like we've never kissed
You want me to forget
Pretend we've never met
And I try and I try
But I haven't yet

I fall to pieces
Each time someone speaks your name
I fall to pieces
Time only acts to the play

You tell me to find someone else to love
Someone who loves me too
The way you used to do
But each time I go out with someone new
You walk by and I fall to pieces
